Whereas the "All American Catfish" symbol(s) is to be used only to represent and promote Louisiana or U.S. produced and processed catfish, I agree that my use of the symbol(s) shall be in accordance with the requirements established by the Louisiana Department of Agriculture & Forestry (Department). I acknowledge that "catfish" means only those species within the family Ictaluridae or the family Anarhichadidae.

I shall use or serve only Louisiana or U.S. produced catfish, for any fish or product identified as catfish or as containing catfish, as long as I am subject to this agreement. If any product labeled or advertised as containing catfish contains any fish other than catfish then such other fish shall also be on the label or advertisement.

The department shall have access to my establishment and records, during reasonable hours, to validate that I am in compliance with this agreement and have not violated it in any way. I acknowledge that use of this symbol shall be a privilege and not a right.

This agreement shall remain in full force and effect until rescinded with thirty (30) days written notice by either the Department or by me. The Department may, however, rescind this agreement immediately if I am found to be in violation of this agreement. If this agreement is rescinded for any reason I shall immediately cease using the symbol(s).
